

6.	Ex post facto analysis	219
7.	Expectation of success, especially in the field of genetic engineering and biotechnology	220
8.	Skilled person	224
9.	Assessment of inventive step	234
10.	Secondary indicia in the assessment of inventive step	292
E.	The requirement of industrial application under Article 57 EPC	302
1.	Notion of "industrial application"	302
2.	Reproducibility and sufficiency of disclosure	305
3.	Indication of a profitable use of the invention in industry	306
II.	PATENT APPLICATION AND AMENDMENTS	309
A.	Claims	309
1.	Basic principles	310
2.	Form, content and conciseness of claims	312
3.	Clarity of claims	318
4.	Disclaimers	333
5.	Claims supported by the description	333
6.	Interpretation of claims	337
7.	Product-by-process claims	346
8.	Claims fees	350
B.	Unity of invention	353
1.	Introduction	353
2.	Unity in the context of different types of claims	354
3.	Assessing lack of unity of invention	358
4.	Criteria for determining lack of unity	362
5.	The single general inventive concept	364
6.	Plurality of inventions – further search fees	371
C.	Sufficiency of disclosure	376
1.	Introduction	378
2.	Date of compliance	378
3.	Parts of the application relevant for assessing sufficiency of disclosure	379
4.	Knowledge of skilled person relevant for assessing sufficiency of disclosure	382
5.	Clarity and completeness of disclosure	387
6.	Reproducibility	405
7.	The requirement of sufficiency of disclosure in the biotechnology field	415

8.	The relationship between Article 83 and Article 84 EPC	436
9.	Evidence	441
D.	Priority	449
1.	Introduction	450
2.	Applications giving rise to a right of priority	451
3.	Identity of invention	459
4.	First application in respect of the invention	470
5.	Partial and multiple priorities	474
E.	Amendments	482
1.	Article 123(2) EPC – added subject-matter	487
2.	Article 123(3) EPC – extension of the protection conferred	566
3.	Relationship between Article 123(2) and Article 123(3) EPC	590
4.	Correction of errors in the description, claims and drawings – Rule 139 EPC	598
5.	Evidence and standard of proof for allowing amendments and corrections	605
F.	Divisional applications	608
1.	Introduction	609
2.	Subject-matter of a divisional application	610
3.	Filing a divisional application	616
4.	Procedural questions	623
5.	Prohibition of double patenting	627
III.	RULES COMMON TO ALL PROCEEDINGS BEFORE THE EPO	635
A.	The principle of the protection of legitimate expectations	635
1.	Introduction	636
2.	Applicability of the principle of the protection of legitimate expectations	636
3.	Information provided by EPO	640
4.	Obligation to draw attention to easily remediable deficiencies	645
5.	Obligation to enquire in case of unclear nature of request	650
6.	Legitimate expectation and case law	651
B.	Right to be heard	654
1.	Introduction	655
2.	The right to be heard under Article 113(1) EPC	656
3.	Text submitted or agreed by applicant (patent proprietor) – Article 113(2) EPC	681

C.	Oral proceedings	687
1.	Introduction	689
2.	Right to oral proceedings	690
3.	Oral proceedings at the instance of the EPO	692
4.	Request for oral proceedings	693
5.	Non-attendance at oral proceedings	700
6.	Preparation of oral proceedings	703
7.	Conduct of oral proceedings	716
8.	Costs	728
D.	Time limits, documents transmitted by fax, further processing and interruption of proceedings	730
1.	Calculation, determination and extension of time limits	730
2.	Date of receipt of documents transmitted by fax	735
3.	Further processing under Article 121 EPC	736
4.	Interruption of proceedings under Rule 142 EPC	737
E.	Re-establishment of rights	744
1.	Introduction	746
2.	Right to file request for re-establishment of rights	746
3.	Non-observance of time limit directly causing a loss of right	747
4.	Admissibility of requests for re-establishment of rights	750
5.	Merit of request for re-establishment of rights	761
6.	Procedural treatment of requests for re-establishment	788
7.	Rights of use under Article 122(5) EPC	791
8.	Principle of proportionality	791
9.	Reimbursement of the fee for re-establishment	793
F.	Languages	796
1.	Language of filing and date of filing of a European patent application	796
2.	Language of the proceedings	797
3.	Derogations from the language of the proceedings in written proceedings and in oral proceedings	797
4.	Language privilege	799
5.	Translations	800
6.	Language-related fee reductions	801
G.	Law of evidence	803
1.	Introduction	805
2.	Admissible evidence	808
3.	Taking of evidence	819

4.	Evaluation of evidence	833
5.	Burden of proof	865
H.	Interpretation of the EPC	883
1.	The Vienna Convention on the Law of Treaties	884
2.	Interpretation of the EPC affected by TRIPS Agreement	892
3.	The European Convention on Human Rights	893
4.	Impact of national decisions on the case law of the boards of appeal	894
5.	Decisions of the Administrative Council: boards of appeal not formally bound	896
6.	Implementing Regulations	897
7.	Changes in relation to an established practice and interpretation	898
8.	Interpretation of the various language texts of the EPC (Article 177 EPC)	899
I.	Main and auxiliary requests	900
1.	Possibility of filing auxiliary requests	900
2.	Order of requests	900
3.	Admissibility of requests	902
4.	Obligation to give reasons for refusal of each request	903
5.	Withdrawal of request	903
6.	Examination procedure	905
7.	Interlocutory decision on allowable auxiliary request – distinction between examination proceedings and opposition proceedings	906
8.	Opposition procedure	906
9.	Appeal procedure	907
J.	Suspected partiality	908
1.	General principles	909
2.	Initiation of partiality proceedings and other procedural issues	914
3.	Admissibility	917
4.	Suspected partiality of members of the departments of first instance	921
5.	Suspected partiality of members of the boards of appeal	924
6.	Suspected partiality of members of the Enlarged Board of Appeal	928
7.	Legal restrictions for former board members	932
K.	Formal aspects of decisions of EPO departments	934
1.	Composition of the competent departments of first instance	935
2.	Date of decision	939
3.	Form of decisions	940
4.	Loss of rights within the meaning of Rule 112(1) EPC	956
5.	Notification of decision under Rule 111(1) EPC	958

L.	Correction of errors in decisions	959
1.	Competence to correct a decision according to Rule 140 EPC	959
2.	Scope of Rule 140 EPC	960
3.	Obvious mistakes according to Rule 140 EPC	962
4.	Legal effect of corrections according to Rule 140 EPC	963
5.	Correction of printing errors in the publication of the patent specification	964
6.	Procedural status of third parties	964
M.	Inspection of files, European Patent Register and stay of proceedings	966
1.	Inspection of files	966
2.	European Patent Register	970
3.	Stay of proceedings under Rule 14(1) EPC	972
N.	Observations by third parties	978
1.	Introduction	978
2.	Formal requirements	979
3.	Third party's legal status	981
4.	Third-party observations in opposition-appeal proceedings	983
5.	Remittal following filing of observations	986
O.	Transfer of party status	988
1.	Party status as patent proprietor	988
2.	Party status as opponent	989
P.	Intervention	999
1.	Admissibility of intervention	999
2.	Legal status of intervener	1006
3.	Legal status of documents filed with intervention during appeal proceedings	1008
4.	Intervention shortly before oral proceedings	1008
Q.	Continuation of the opposition proceedings by the EPO	1009
1.	Surrender and lapse of the patent	1009
2.	Death or legal incapacity of an opponent	1012
3.	Withdrawal of opposition	1013
R.	Apportionment of costs	1016
1.	Principle that each party must bear its own costs	1016
2.	Equity of a different apportionment of costs – case groups	1017
